One set of such building plans, and all amendments, modifications and changes thereto, signed by the Lot Owner shall be left on permanent file with the Declarant. Declarant shall have the right to request the Lot Owner provide samples of the Lot Owner’s proposed exterior materials. No construction of any single-

Written approval or disapproval of such building plans shall be given by a manager of the Declarant within ten (10) days from and after receipt thereof by the Declarant. Approval of such building plans shall not be unreasonably withheld; provided, however, that the Declarant shall have the sole and exclusive right, in its sole discretion, to approve or reject any such building plans if, in the opinion of the Declarant, either the style, size, material or plot plan of such residence does not conform to the general standard and character of the single-family residences constructed or to be constructed on other Lots located within the Property.

In addition, prior to the construction of any addition to any single-family residence constructed on any Lot, or the change or modification in the exterior of any single-family residence, including a change in exterior color, constructed on any Lot, the Lot Owner shall first obtain the written approval of the Declarant to proceed with any such construction, change or modification, which approval shall not be unreasonably withheld.

No single-family residence constructed upon a Nature Lot or Interior Lot shall be occupied unless and until written approval of the landscape plan has first been obtained

from the Declarant. Written approval or disapproval of such landscape plan shall be given by the Declarant within ten (10) days from and after receipt of such plans by the Declarant. Approval of such landscape plan shall not be unreasonably withheld; provided, however, that the Declarant shall have the sole and exclusive right, in its sole discretion, to approve or reject any such landscape plan if, in its opinion, such landscape plan does not conform to the general standard and character of landscape plans for other Lots located within the Property.

**APPLICABLE TO ALL LOTS**

1. Erosion Control. Lot Owner shall be responsible at all times during construction to have in place erosion control measures including, but not limited to, silt fences, straw bales, or other additional measures, which will contain erosion of soil on the Lot and prevent tracking of mud onto streets by construction vehicles. The adequacy of erosion control measures on a Lot shall be subject to continual review during construction. Declarant shall have the right to require any Lot Owner to maintain silt fences or other additional measures if soil is observed to be eroding onto abutting Lots, sidewalk or into any street or private roadway. If upon notice from Declarant to repair, maintain or take additional measures to control erosion, the Lot Owner of any Lot or his/her contractor fails to comply within forty-eight (48) hours of delivery of such notice, Declarant may take such measures as may be necessary to control the erosion and charge the cost of the measures to the Lot Owner. Such charges, when shown of record, shall be a lien upon the Lot and shall bear interest at the rate of sixteen percent (16%) per annum, or the maximum rate allowed by law, whichever is less, until paid.

Lot Owner acknowledges that by acceptance of a deed to a Lot, Lot Owner automatically assumes responsibility for continuing compliance with the NPDES SWPPP permit requirements relating to the Lot, including, but not limited to, proper maintenance of erosion control structures

in place. **Prior to commencement of any construction activity on the Lot, Lot Owner shall (i) submit an Individual Lot Notice of Intent (NOI) and Storm Water Pollution Prevention Plan for the Lot to the City of Lincoln Building and Safety Department; and (ii) provide Declarant with a copy of said Individual Lot NOI and SWPPP.** Any liability associated with noncompliance with the NPDES SWPPP permit or Individual Lot NOI and SWPPP relating to the Lot after the date it has been transferred by the Declarant shall be the sole responsibility of Lot Owner and no responsibility shall accrue to Declarant.

No dirt from grading, excavation or resulting from any other activity on any Lot may be removed from the Property without the prior written permission of Declarant. Declarant will designate an area or areas within the Property for stockpiling dirt and those placing dirt in such areas will level it so as to allow for mowing and maintenance. The Declarant may, in the Declarant's sole discretion, at such time as the Declarant deems appropriate, transfer, convey and assign to the Association the right to designate an area for stockpiling dirt.

2. City Requirements. All buildings constructed upon any Lot within the Property shall be constructed in conformity with the requirements of the applicable building codes of the City of Lincoln, Nebraska.

3. Sidewalks. Each Lot Owner, other than the Declarant, shall be, and does hereby assume, any and all responsibility or liability for the construction and installation of public sidewalks parallel to each street or private roadway which abuts the Lot or Lots owned by such Lot Owner. All sidewalks parallel to such street or private roadway which abuts a Lot shall be constructed and paid for by such Lot Owner upon the earlier date of, to wit: (a) the construction of the residence or building constructed upon such Lot, or (b) whenever required by the City of Lincoln, or the Association, whichever is first. Each individual Lot Owner, other than the Declarant, shall indemnify and hold the Declarant harmless from any liability or cost incurred in connection with the installation of or payment for any public sidewalk parallel to each street or private roadway which abuts the Lot owned by such Lot Owner.

4. Nuisance. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the community or which endangers the health or unreasonably disturbs the quiet of the occupants of adjoining Lots. No grass, weeds or other vegetation will be grown or otherwise permitted to commence or continue, and no dangerous, diseased or otherwise objectionable shrubs or trees will be maintained on any Lot so as to constitute an actual or potential public nuisance, create a hazard or undesirable proliferation, or detract from a neat and trim appearance. Vacant Lots shall not be used for dumping of earth or any waste materials. No vegetation on vacant Lots, excluding vacant Lots owned by Declarant, shall be allowed to reach a height in excess of eighteen (18) inches. In the event vegetation on a vacant Lot not owned by the Declarant is allowed to reach a height in excess of eighteen (18) inches, the Association shall have the right to enter upon and mow the Lot, and to assess the mowing charges against the Lot. Such charges, when shown of record, shall be a lien upon the Lot and shall bear interest at the rate of sixteen percent (16%) per annum, or the maximum rate allowed by law, whichever is less, until paid.

5. Subdivision. No Lot may be split, divided or subdivided for sale, resale, gift, transfer, or otherwise, without the prior written approval of Declarant of plans and specifications for such split, division or subdivision. This provision does not apply to Declarant.

The covenant to pay shall be satisfied by the payment of dues and assessments for such administration, insurance, maintenance, repairs, replacement, addition, improvement, and to the extent applicable, ownership of the Common Area as set forth below. The Association covenants and each Lot Owner of a Lot, by the acceptance of a deed by which the interest requisite for membership is acquired, shall be deemed to covenant to assume the obligations of the Declarant to comply with the requirements of any final plat of the Property regarding continuous and permanent maintenance of the Common Area. In the event the Association dissolves, the Lot Owners of the Lots shall remain jointly and severally liable for the cost of administering, insuring, maintaining, repairing, replacing, adding and improving the Common Area.

6. Refuse Service. The Association may select a single provider to provide refuse collection services for the entire Property. The cost of the refuse services for each Lot shall be paid by the Lot Owner directly to the service provider and shall not be collected by or paid to the Association.

7. Imposition of Dues and Assessments. The Association may fix, levy and charge each Lot Owner with dues and assessments under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the time and in the manner prescribed by the Board.

8. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues and assessments due in respect of any Lot and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

9. Liens and Personal Obligations for Dues and Assessments. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Lot Owner at the time when the dues and assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent dues and assessments shall not pass to the successor in title to the Lot Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid dues and assessments.

10. Purpose of Dues. Dues and assessments may be levied by the Board of Directors of the Association. The dues and assessments levied and collected by the Association shall be committed and expended to accomplish the purposes and to perform the powers and responsibilities of the Association described in this Article.

The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

14. Effect of Nonpayment of Dues or Assessments; Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessments shall bear interest from the due date at the rate of sixteen percent (16%) per annum, or the maximum rate allowed by law, whichever is less. The Association may

bring an action at law against the Lot Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Lot Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of a Lot Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

15. Subordination of the Lien to Mortgagee. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Each Lot Owner by the acceptance of a deed by which the interest requisite for membership in the Association is acquired, shall be deemed to covenant that, in the event the Association dissolves, such Lot Owner shall remain jointly and severally liable along with all other Lot Owners within the Property for the cost of administering and maintaining the Common Area in the same manner as required of the Association under Paragraph 5 above. In the event such Lot Owners fail or refuse to perform any required maintenance and upkeep of the Common Area, the City of Lincoln after seven (7) days' notice to such Lot Owners, may perform the required maintenance and assess each Lot and Lot Owner for the cost of the performance of such maintenance on an equal per lot basis. Each assessment of the City's actual costs of performing the maintenance shall be the personal obligation of each Lot Owner who is the owner of the Lot at the time of assessment and shall be a lien upon the Lot assessed. To evidence such lien for unpaid assessments, the City shall prepare a written notice setting forth the amount, the name of the Lot Owner, and a legal description of the Lot. Such notice shall be signed on behalf of the City by the Mayor and shall be recorded with the Register of Deeds of Lancaster County, Nebraska. Each Lot Owner shall pay the Lot Owner's pro-rata share of the City's actual cost of maintaining the Common Area within thirty days following receipt of an assessment therefor. Delinquent payments shall be subject to a late charge of 10% of the delinquent payment or twenty dollars (\$20) whichever is greater.

## **ARTICLE VIII**

### **GENERAL PROVISIONS**

1. Acknowledgment of Commercial Property. By acceptance of a deed to a Lot, each Lot Owner acknowledges that the Commercial Property is shown in the Lincoln City/Lancaster County Comprehensive Plan ("Comprehensive Plan") for commercial use and designated for a Neighborhood Center. The Lot Owners agree not to oppose any change of zone, use permit, or special permit that would permit commercial uses in conformance with the Comprehensive Plan.

2. Additional Property. Declarant reserves the right, in its sole and absolute discretion, at any time and from time to time, to add Additional Property to the provisions of this Declaration without the consent of the Members of the Association. Additional Property may be added to this Declaration by an instrument executed by Declarant and filed with the Lancaster County Register of Deeds, which instrument shall be deemed an amendment to this Declaration (which need not be consented to or approved by any Member of the Association) and shall (i) refer to this Declaration, stating the date and filing information, (ii) contain a statement that such Additional Property is conveyed subject to the provisions of this Declaration or only specified portions thereof; (iii) contain an exact legal description of such Additional Property, and (iv) state such other or different covenants, conditions and restrictions as the Declarant, in its sole discretion, shall specify to regulate and control the use, occupancy and improvement of such Additional Property.

Except for the authority and powers specifically granted to the Declarant, the Declarant, Association or any Lot Owner named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. In addition, the City shall have the right to enforce by proceedings at law or in equity all restrictive covenants and conditions regarding maintenance of the Common Area. Failure by the Declarant, Association, City or any Lot Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. The City proceedings may be to restrain violation of the duty to maintain the Common Area, to recover a money judgment upon the personal obligation and debt of the Lot Owner to pay the Lot Owner's pro-rata share of the City's cost to maintain the Common Area or to foreclose upon the defaulting Lot Owner's Lot in a like manner as mortgages on real property. In any such foreclosure or lawsuit, the Lot Owner shall be required to pay the cost and expenses of such proceedings, including reasonable attorney fees, costs of suit, and court costs incurred as allowed by the court. Suit to recover a money judgment for unpaid assessments for the cost to maintain the Common Area shall be maintainable without foreclosure of the Lot Owner's Lot or waiving the lien securing the assessment.

4. Amendment. This Declaration may be amended by Declarant, or any person, firm, corporation, partnership, or entity designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion for a period of fifteen (15) years from the date hereof. Thereafter, any portion of this Declaration may be amended by an instrument signed by the Lot Owners of Lots comprising not less than sixty-six percent (66%) of the total votes of Lots included within the Property.

5. Assignment. Matodol, LLC shall have the power to assign any or all of its rights and duties as Declarant in this Declaration to a successor or assign, or to the Association at such time as the Declarant deems appropriate, by filing a Notice of Assignment of Declarant Rights and Duties that delineates which rights and duties are being assigned. Matodol, LLC, or its successor or assign, may also terminate its status as Declarant under this Declaration in its

entirety, at any time, by filing a Notice of Termination of Status as Declarant. Upon such filing, the Association may appoint itself or another entity, association or individual to serve as Declarant with respect to those remaining rights and duties the Declarant has not previously assigned to another entity, association or individual under a Notice of Assignment of Declarant Rights and Duties, and such appointee shall thereafter serve as Declarant with the same authority and powers as the original Declarant with respect to those remaining rights and duties.

6. Partial Invalidation. Invalidation of any covenant by judgment or court order shall in no way affect any of the other provisions hereof, which shall remain in full force and effect.

7. Termination of Covenants. The covenants and restrictions of this Declaration shall run with and bind the land and the Lot Owners, their successors, assigns, heirs and devisees, for a term of thirty (30) years from the date of this Declaration, after which time said Declaration shall be automatically extended for successive ten (10) year periods unless an instrument terminating this Declaration signed by the then Lot Owners of Lots comprising not less than seventy-five percent (75%) of the total votes of Lots covered by this Declaration has been recorded prior to the commencement of any ten year period.

8. City Approval. Notwithstanding the foregoing provisions, any instrument amending, modifying, abrogating, or terminating this Declaration pertaining to the structure, existence or financing of the Association maintenance of the Common Area, enforcement of this Declaration by the City of Lincoln and City of Lincoln approval of amendments to this Declaration must be approved by the City of Lincoln City Attorney's office in writing and recorded with the Register of Deeds before it shall be effective.

9. Future Street Connections. Declarant hereby discloses that public streets within the Wandering Creek subdivision may in the future be connected to adjacent developments in conformance with the requirements of the City.

IN WITNESS WHEREOF, the Declarant has caused these presents to be executed this 11 day of June, 2019.
